

## **Review of IO-Link Package 2025**

The review of the IO-Link Package 2025 by the members has begun. Comments (CR) can be submitted on the IO-Link project server until

**05.09.2025.**

Each document is accompanied by a readme file. The readme contains information on where Change Requests (CR) can be made on this document.

The readme also contains a change log with the changes that have been made in this version.

### **IODD-Checker**

Any comments, proposals, requests regarding the **IODD Checker** are welcome. Please use [www.io-link-projects.com](http://www.io-link-projects.com) for your entries and provide name and email address.
