

## Interop 03/04 November 2021

In Bad Soden (Germany) close to the international Airport Frankfurt

H+ Hotel  
Königsteiner Straße 88  
65812 Bad Soden, DE  
Tel. +49 6196 200-0  
[Bad.Soden@h-hotels.com](mailto:Bad.Soden@h-hotels.com)

The workshop is an open platform for testing your devices, masters or tools versus any other products available within this workshop by your own schedule.

Additional to the workshop three expert groups will be possible for discussions about any special topics, e. g. "test systems", "profiles and system integration" or "datastorage".

For participation, please use the online registration on the IO-Link Website:  
[www.io-link.com](http://www.io-link.com)

### Agenda:

#### 03. Nov. (Day 1)

9:00 – 10:00 hrs	coming together and preparation
10:00 – 17: 00 hrs	testing interoperability & fieldbus integration (with breaks for coffee and lunch)

#### 4. Nov. (Day 2)

9:00 – 16:00 hrs	testing interoperability & fieldbus integration (with breaks for coffee and lunch)
------------------	---

## Additional information for participants:

### Participation fee:

A participation fee of 150 € will be raised. This is the conference fee for the two days. Due to the pandemic situation, we are not in the position to offer you a joint dinner in the evening of the first day.

### Powersupply:

Please bring with you power supplies and adapters for German 230V power rails.

### Photos:

Photos from the event will be taken. Products needing privacy shall be covered by your own responsibility.

### Participants:

A list with all participants will be available in the meeting room.

### Accommodation:

Accommodation is not included. For your convenience we recommend to book a hotel room direct at the H-Hotel in Bad Soden. Accommodation is not included in the participation fee. We have reserved a contingent of 60 rooms with a special rate of 99 € incl. breakfast. Please use the **booking code "IO-Link"**. In order to benefit of the reduced rate please make out your reservation before September 28, 2021.

Please call the hotel or send them a mail with your reservation, the booking system on the H-Hotel website does not work for the reduced company rates:

We will have a huge conference room with enough space for distancing. Foto taken at the Interop Workshop in Bad Soden in 2019.

**COVID-19: General information and conditions of participation:**

Due to the Corona pandemic, special behavioral instructions apply and must be observed. We want you to feel comfortable and safe when attending our in-person events. Your health and that of our employees and event partners is very important to us, and there is a special duty of care among everyone involved at this time. To this end, we have compiled the following information and rules for you. They are intended as minimum requirements in addition to the rules, regulations and recommendations of the respective federal state.

The entry regulations of the Federal Republic of Germany and the Corona regulations of the Federal State of Hesse (Bundesland Hessen) in force at the time of the event must be observed.

In addition, the hygiene rules of the event location (hotel) and the organizer must be observed.

In accordance with the official requirements, the following persons must stay away from the event:

- Persons who have had contact with persons infected with Corona in the 14 days prior to the start of the event.
- Persons who have respiratory or other symptoms known to be associated with Corona disease.

We have decided to **apply the 2G** rules for participation at our Interop Worksho.

This will mean for you, that we **will only allow people who are either vaccinated (Geimpft) or recovered (Genesen)**. As organizer we will control the requested documents on site:

- o Vaccinated persons must provide proof of complete vaccination protection. At least 14 days must have passed since the last required vaccination.
- o Convalescents require proof of a positive PCR test or other nucleic acid test at least 28 days or max. 6 months ago.

**Applying 2G** has the positive effect, that for the people attending the event, in the conference room itself the wearing of medical or FFP2 mouth/nose covering is not mandatory. This means you do not have to wear a mask, however, **if you feel safer, you may wear the mask in the room as well**. However, **outside the conference room (e. g. on the floors, in the toilets, on way to the restaurant) you are required to wear masks** (please bring masks).

Appropriate on-site regulations must be followed. Hygiene measures on site are ensured by the organizer (e. g. provision of means for hand disinfection in the training and sanitary rooms). Rules of conduct in the room and during coffee and lunch breaks are pointed out on site (keep your distance, do not shake hands, hygiene measures, etc.).
